SENSITIZATION PROGRAMME

A Report about the Event

Objective:

Knowledge about Adverse Drug Reaction (ADR) is essential for every health care workers and reporting ADR in hospitals is very mandatory. Therefore the training is scheduled to have hands on training which would enable all health care workers to have a skill to fill up CDSCO form / ADR Form.

Sensitization programme:

The programme was arranged on 17th & 19th for Doctors and nurses respectively from 1.30 to 3.30 PM. Welcome address was given by Dr P Elango, Member Secretary & Professor of Pharmacology, inaugurated by Dr A Edwin Joe, Dean, BMCH and the event was felicitated by Dr J Mohanasundaram, Chairperson and Vice Principal, BMCH and Dr Somasundaram, Medical Superintendent, BMCH.

80 delegates attended the programme. All the delegates were given with ADR form and trained to fill the form line by line with example of a case history and was concluded with vote of thanks by Dr Sultan Al Rashid, Tutor of Pharmacology.
