

PROSPECTUS - 2021-22

Bhaarith

MEDICAL COLLEGE AND HOSPITAL

Message

Through this University we dedicate ourselves to educate and empower you, the youth of our nation to contribute to its progress. The future unfolds before you with immense possibilities. With hard work, dedication, and the might of the Bharath Institute of Higher Education and Research (BIHER) education behind you, you can fulfill your potential. To echo the words of Swami Vivekananda, Arise! Awake and Stop not till your goal is reached.

Through 'Transforming India by Transforming Education,' we seek to revive the glory of the ancient Indian education system. By providing an academic ambience, innovative pedagogy of global significance, we prepare our students to succeed in a highly competitive professional environment. Having created a strong international presence, BIHER is poised to become a Centre of Excellence in Academics and Research and be listed among the top 200 universities of the world by 2025.

Be part of a 39-year legacy of world-class education.

(Late) Prof. Anusuya Jagathrakshakan

Founder, BIHER

Vision

“Bharath Institute of Higher Education & Research (BIHER) envisions and constantly strives to provide an excellent academic and research ambience for students and members of the faculties to acquire professional competence along with human dignity and transformation of community to keep pace with the global challenges so as to achieve holistic development”.

Missions

- To develop as a Premier University for Teaching, Learning, Research, and Innovation on par with leading global universities
- To impart education and training to students for creating a better society with ethics and morals.
- To foster an interdisciplinary approach in education, research, and innovation by supporting lifelong professional development, enriching knowledge banks through scientific research, promoting best practices and innovation, industry-driven and institute-oriented cooperation, globalization, and international initiatives.
- To develop as a multi-dimensional institution contributing immensely to the cause of societal advancement through spread of literacy, an ambience that provides the best of international exposures, provide health care, enrich rural development, and most importantly impart value-based education.
- To establish benchmark standards in professional practice in the fields of innovative and emerging areas in medicine, dentistry, nursing, physiotherapy, allied sciences, engineering, and management.
- To imbibe human dignity and values through personality development and social service activities.

About Us

Sri Lakshmi Ammal Educational Trust was established in 1984. The Trust has set before itself the noble idea of establishing cardinal centres of professional education in various disciplines. The centres offer our young men and women the right kind of opportunity to pursue professional course of their choice. The Trust intends to train the youth and transform them into excellent professionals, gifted with exemplary qualities, so as to make them committed servants of the larger society.

Bharath Institute of Higher Education and Research was established under the aegis of Sri Lakshmi Ammal Educational Trust with the aim of imparting higher knowledge in Science and Technology to the aspiring boys and girls, so that they can emerge as competent scientists, engineers, technologists, and healthcare Specialist of repute. BIST was started in the year 1984 and acquired deemed to be University status in the year 2003 by University Grants Commission (UGC).

The Institute has been for 39 years is committed to the grand task of providing quality education, which will transform the students into efficient and successful careerists. Students who have graduated from BIHER are already serving in responsible positions, in India and abroad.

Description of the course

The MBBS course is of 4½ academic years and is followed by one year of compulsory rotating internship. The period of 4 ½ years is divided into (9 semesters, each semester 6 months duration) three phases

Phase I or the Pre-Clinical phase is of 13 months and is preceded by a one-month foundation course sensitizing students to the health situation in India, the role of doctors in the community and basic principles of Communication & Ethics. This phase comprises of Human Anatomy, Physiology and Biochemistry, Introduction to Community Medicine, Humanities, Professional Development, and early clinical exposure.

At the end of Phase II or the Para-clinical phase (12 months) students will be assessed on the subjects Pharmacology, Pathology and Microbiology. At the end of Phase III part I (13 months) students will be assessed on Forensic Medicine, Community Medicine, Ophthalmology and Oto-rhinolaryngology.

2 months are allotted for elective rotations after the completion of the Phase III part I examination and before the commencement of Phase III part II

Phase III part II (13 months) includes General Medicine and allied specialities, General Surgery and allied specialities, Obstetrics & Gynaecology including Family Welfare and Pediatrics. A block posting in Community Health is an integral part of each stage. Posting in urban and rural health centres is a unique feature of medical education.

The internship lasting for 12 months comprises of postings in Community Health, General Medicine, General Surgery, Obstetrics & Gynaecology, Paediatrics, Orthopaedics, ENT, Ophthalmology, Emergency Medicine, and short electives in various specialities. All these are as per the guidelines of the National Medical Commission.

Eligibility for Admission

Anti-Ragging Policy

Zero Tolerance Policy in been followed strictly by the university in regard to Ragging. To prohibit, prevent and eliminate the act of ragging, University Grants Commission has framed “Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009” and the Medical Council of India has framed “Prevention and Prohibition of Ragging in Medical Colleges/Institutions Regulations, 2009”. These regulations are abided by the university to curb the act of ragging.

Instructions to the students in an event of ragging

- 1) Any student admitted in BMCH can turn for help and guidance any time when required to the members of anti-ragging committee.
- 2) Any student, whether being victim, or witness, in any incident of ragging are encouraged to report, and the identity of such informants will be protected. Those who want to be anonymous can submit their complaints in complaint box.
- 3) Hostellers can also contact the hostel warden any time who will in turn direct the case to relevant authorities.
- 4) Students who do not report the incidents of ragging either as victim or as witnesses shall also be punished suitably.
