### Pulse Polio Day 2021 report

Date: 1/02/2021

The Government of India has established the Pulse polio Immunization Campaign to eradicate Poliomyelitis. This year Pulse polio day was on 31<sup>st</sup> January 2021. The Department of Community Medicine, Bhaarath Medical College & Hospital, Selaiyur, Tambaram supported Tambaram Health Centre in setting up booth at the entrance of our college. Dr Arunadevi, Assistant Professor, Dept of Community Medicine and Dr Hema Kairavi, Assistant Professor, Dept of Community Medicine along with staff nurses vaccinated the children below 5 years of age. Around 1000 children were vaccinated from 7 am to 5 pm.
