Blood Donation awareness program report

A blood donation awareness program with a camp on blood grouping and hemoglobin estimation was conducted on 22nd January at the Blood bank. It was conducted by the Department of Transfusion Medicine and Department of Community Medicine, and attended by the NSS students of BIHER. The event was graced by Dean, BMCH Dr. Edwin Joe, Medical superintendent, BMCH Dr. Somasundaram and NSS coordinator, Dr Vijayaraghavan. Dr.Vidya D C, Assistant Professor, Community Medicine welcomed the gathering. Our Dean spoke on how one can maintain fitness and at the same time save lives by regularly donating blood. This was followed by an awareness talk by Dr.Vinoth M, Tutor, Department of Community Medicine. BMCH Blood bank Medical Officer Dr.Afrin spoke on the 'Donor eligibility'. The NSS students had their blood group and hemoglobin checked.
